

CAN YOU  
BELIEVE  
IN ME?

Meet **Mathias O'Sullivan**, age 8, adored nephew of St. Stephen's Green proprietors Corny and Murphy Durkin. Mathias has charm, wit, smarts — and *autism*.

Thank God, he also has Eden Autism Services in Princeton, NJ. Eden offers people with autism top-notch, cutting-edge intervention — along with plenty of love and care.

**You can help!**

During St. Patrick's month of March, simply add any "Eden" amount to your food or drink check. Every cent will go to Eden's pot of gold.
